About Our Company

Atlas Industrial Solutions Company is a dynamic, multi-disciplinary service provider delivering end-to-end industrial solutions to clients across diverse sectors. With a strong foundation in project contracting, industrial maintenance & cleaning, mechanical fabrications (metals & non-metals), precision machining & welding, and material supply, we are committed to operational excellence and long-term client satisfaction.

Our integrated service model also includes manpower and equipment rental, allowing us to respond swiftly and effectively to the evolving needs of our partners. Whether it's a high-stakes shutdown job or routine plant support, Atlas stands out for its reliability, technical expertise, and safety-first approach.

Driven by innovation and backed by a team of skilled professionals, we work closely with clients to minimize downtime, boost efficiency, and ensure quality at every step.

Vision

To be the preferred industrial service partner across the region—recognized for our commitment to safety, innovation, and operational excellence in everything we do.

Mission

To deliver reliable, efficient, and high-quality industrial solutions through expert contracting, advanced fabrication, and responsive support services—ensuring our clients' operations run smoothly, safely, and sustainably.

Project Contracting & Support Services

At Atlas Industrial Solutions Company, our Project Contracting division serves as the cornerstone of our comprehensive industrial service offerings. We specialize in delivering turnkey solutions for industrial projects—ranging from new facility construction and plant modifications to shutdown and turnaround support.

- Turnkey Industrial Project Execution
- Mechanical & Structural Installations
- Shutdowns & Turnarounds
- EPC Support Services
- Civil & MEP Coordination
- Material Procurement & Logistics
- Experienced Technical Workforce
- Time-Bound & Budget-Controlled Execution
- Safety-First Approach
- Cross-Industry Capability

Industrial Maintenance Services

At **Atlas Industrial Solutions Company**, we specialize in delivering comprehensive industrial maintenance solutions that ensure plant reliability, equipment longevity, and operational continuity. Our maintenance division is structured to serve diverse industrial sectors including oil & gas, petrochemicals, power generation, steel, manufacturing, and more.

- Preventive & Corrective Maintenance
- Rotating & Static Equipment Servicing
- Shutdowns & Turnarounds Support
- Predictive Maintenance Techniques
- On-Site Troubleshooting & Repairs
- Electrical & Instrumentation Maintenance

Industrial Cleaning Services

At **Atlas Industrial Solutions Company**, Our cleaning operations are designed to support plant reliability, optimize equipment performance, and reduce downtime during turnarounds, shutdowns, and regular maintenance cycles. Whether it's hydrojetting, chemical cleaning, waste removal, or catalyst handling, our experienced teams deliver precise, efficient, and safe execution in line with industry standards.

- Mechanical & Chemical Cleaning Solutions
- Catalyst Loading/ Unloading Activities
- Industrial Waste Cleaning
- Chemical Cleaning
- High-Pressure Water Jetting
- Hydro Blasting & Steam Cleaning

Mechanical Fabrication

Metals & Non-Metals

Atlas Industrial Solutions Company offers high-precision mechanical fabrication services in both metallic and non-metallic materials, catering to the diverse and demanding needs of industrial sectors such as oil & gas, petrochemicals, power, water treatment, and manufacturing.

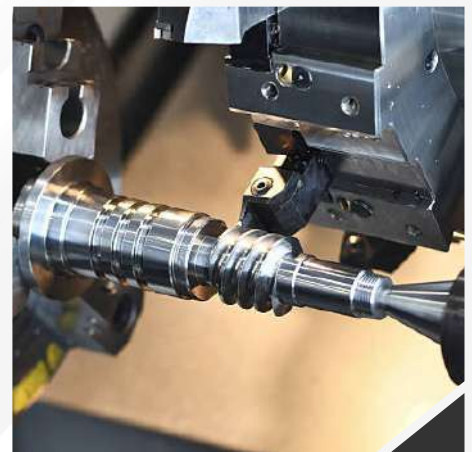

- Structural steel fabrication
- Piping fabrication
- Custom ductwork, hoods, and tanks
- Skid-mounted systems and modular fabrication units
- Non-metallic fabrication: FRP/GRP tank linings, piping, and fittings
- CNC plasma/laser cutting, bending, rolling & punching
- Coating & Insulation Services

At **Atlas Industrial Solutions Company**, we provide precision machining and advanced welding solutions tailored to meet the complex needs of heavy industries. With a focus on quality, accuracy, and fast turnaround, our services support clients in the oil & gas, power, petrochemical, construction, and manufacturing sectors.

Machining & Welding Solutions

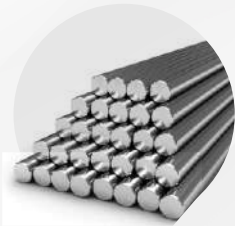

- CNC and conventional machining
- Precision part manufacturing and refurbishment
- Weld inspection and testing (NDT, visual, radiographic)
- Fabrication support and equipment restoration
- On-site welding and mechanical assembly support
- In-situ machining and component repair

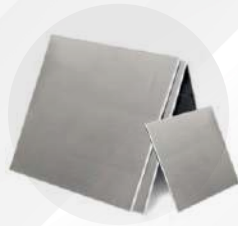

Industrial Material Supply

Atlas Industrial Solutions Company is a trusted partner in the supply of high-quality industrial materials that meet the rigorous demands of modern infrastructure and industrial operations. With a deep understanding of project timelines and technical requirements, we ensure the right materials are delivered on time, every time—backed by strong vendor networks and quality assurance processes.

Manpower Supply

Atlas Industrial Solutions Company delivers scalable and dependable manpower solutions tailored to the dynamic needs of the construction and industrial sectors. We provide both skilled and unskilled workforce trained in job-specific competencies and industry-standard safety practices, ensuring optimal performance on every project.

Schedule of Manpower

- | | |
|-------------------------------|-------------------------|
| · Civil Engineer | · Executive Secretaries |
| · Planning Engineer | · Documents Controller |
| · Piping Engineer | · Computer Programmers |
| · Rotating Equipment Eng | · Schedulers |
| · Site Supervisor | · Mechanical Engineer |
| · Officers | · Electrical Engineer |
| · Riggers | · Project Controllers |
| · Operators (Crane, Forklift) | · Skilled Labours |
| · Welders | |

At **Atlas Industrial Solutions Company**, we offer a comprehensive fleet of construction and industrial equipment available for both short- and long-term rental. Our diverse inventory is designed to meet the demands of various industrial operations—from civil construction to heavy mechanical projects.

Equipment Rental

Lifting Equipment

- Hydraulic Crane
- Crawler Crane
- Boom Truck
- Forklift
- Articulated and Telescopic Man lift
- Mobile Crane
- Tower Crane

Transportation

- Flat Bed Trailer
- Hydraulic Low Bed Trailer
- 55 Seated Bus
- 33 Seated Coaster
- 15 Seated Hiace
- Pick Up, SUV's & Sedan

Earth Moving Equipment

- Bulldozer
- Grader
- Wheel Loaders
- Excavator
- Rock Breaker
- Dump Truck
- Back Hoe
- Roller Compactor

Power & Portable Machinery

- Air Compressor
- Tower Lights
- Welding Machine
- Power Generator
